

# SHPE OSU Graduate Chapter

## SHPE

SOCIETY OF HISPANIC  
PROFESSIONAL ENGINEERS  
AT THE OHIO STATE UNIVERSITY®

## What is SHPE?

SHPE is the Society of Hispanic Professional Engineers (SHPE), which was founded in Los Angeles, California in 1974 and in the last decade was consolidated as national organization in the U.S. The objective of SHPE is to maintain a national organization of professional and academic engineers that can be a model for the Hispanic community.

This  
Month!
